2023 Annual Report

Client Testimonials

I'm so looking forward to continuing to work with this company, as I continue to improve my life and move forward and never look back. When you go through domestic violence multiple times, you finally understand the phrase "never again."

"With Gateway180, never again has been possible."

I have a success story and Gateway180 was my start. Anybody who is willing to put in the work and utilize the resources can have a successful future too.

"They'll do their part, just do yours."

Gateway180 has helped me get on my feet with rapid rehousing program. They have amazing case managers that help you along the way to help establish stable living. Since being in the program I have learned so much and will be taking it with me on the next journey.

"Thank you so much for the support and to my amazing case managers."

Gateway180 is truly a godsend. They helped my family in so many ways. Their staff is caring and professional. Their program is fast and efficient.

"I wish they had the funds to expand and help more families in the community."

Can you take our picture? We're going to hang this on our wall right when you walk in the door. This will tell everyone,

"This is our home."

Gateway180 was a life raft for me when I first got there. It was a little rocky at the beginning, but it all turned out great for me! Through the Rapid Rehousing Program, I was able to get housing relatively quickly. The staff was great! Thanks to Gateway180, I'm now in my very own place! so, the experience worked amazing in my opinion.

"I've learned it's all in what you make it."

There was happiness here, in a place I never thought I would find it. I felt confident to go out and meet my goals that I set for myself here. Now, three months later, I have a stable home and now I can focus on my career goals. So, Gateway180 helped me to realize that my life was not over. They gave me hope and support and tools to get me on my feet again.

"Thank you Gateway180 for changing my life."
