Dear Friend,

Gateway180 is the largest emergency shelter in the state of Missouri, serving women, children, and families experiencing homelessness. As a 130-bed shelter, Gateway180 provides 45,000 nights of shelter annually to the most vulnerable in our community. By providing Shelter and Case Management, we are able to transition families from needing emergency shelter to having stable and permanent housing.

On **Friday, November 4, 2022**, Gateway180 is hosting our **Annual Open Your Heart for the Homeless Gala** at the beautiful **St. Louis Aquarium** at Union Station! We need your help this year to continue our Mission of **empowering adults and families to become independent and permanently housed** by supporting our Gala Event. Thanks to the generous response from our community, last year our Gala raised over \$200,000 to support shelter operations and our re-housing programs. Please contribute to the success of our Gala and mission by considering making an In-Kind donation to our Gala auctions.
